Where is Fiji?

A 10 hour, non-stop flight from Los Angeles, the Fiji Islands lie in the Pacific Ocean southwest of North America and a 3 1/2 hour flight from Australia.

Comprised of 333 islands and surrounded by the vast Pacific Ocean, the Fiji Islands are steeped in history and rich with tradition. Utterly enchanting, the islands personify genuine warmth, embodied in their tropical climate, idyllic waters and compassionate people. With a history dating back nearly 4,000 years, Fijians have experienced countless interaction and exchange with myriad societies. To this day, Fijians enthusiastically welcome visitors from around the world with open arms.

Nadi (pronounced "Nan-dee")

Nadi is the international gateway to the Fiji Islands, boasting world-class resorts, a bustling marina, countless recreational activities, including golf and tennis, village tours, orchid gardens and abundant cultural opportunities. Any visit to Nadi is destined to be delightful.

Coral Coast

The stunning Coral Coast, encompassing the small township of Sigatoka and the traditional village, Korotogo, lies just 13 miles south of Nadi. These locations offer a mainland stay with an outer-island experience.

Mamanuca Islands (pronounced "mar-ma-nu-tha")

Easily accessible from Nadi by boat, seaplane or helicopter, the romantic Mamanucas offer the privacy and serenity afforded by the smaller islands. All-inclusive, privately owned resorts and an abundance of water activities provide for a perfect island getaway.

Exclusive and Secluded Resorts

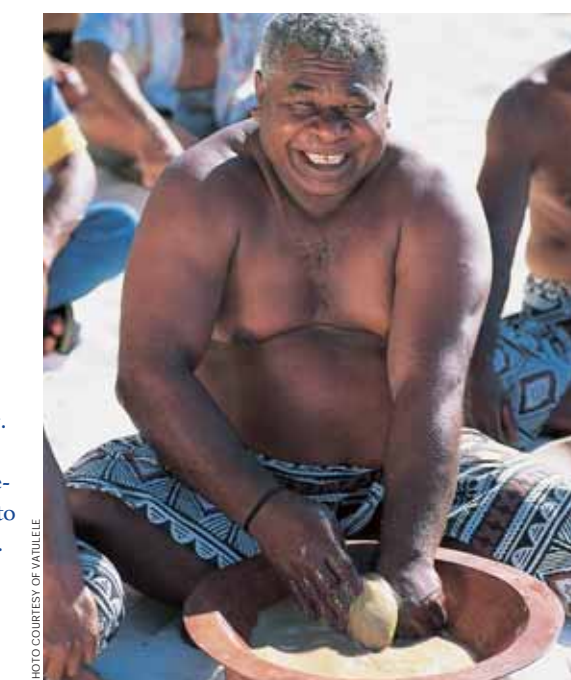

If remoteness, unspoiled beaches, and tranquility bring a smile to your lips, head to the island resorts of Vatulele (southeast of Nadi) or north to Vanua Levu and Jean-Michel Cousteau Fiji Islands Resort or Namale Fiji Islands Resort & Spa. Fiji's Outer Islands offer all-inclusive resorts, spectacular diving, countless traditional villages, and of course, welcoming locals.

Weddings

With an undeniably romantic backdrop, Fiji provides for the ultimate wedding. Float towards shore upon a traditional wedding raft and exchange vows under swaying palm trees as Fijians serenade you. A Fijian wedding is sure to be a life-changing experience. Weddings in Fiji are legal, affordable – and you don't have to do a thing to organize it. Marriage licenses can be obtained in Nadi within a day.

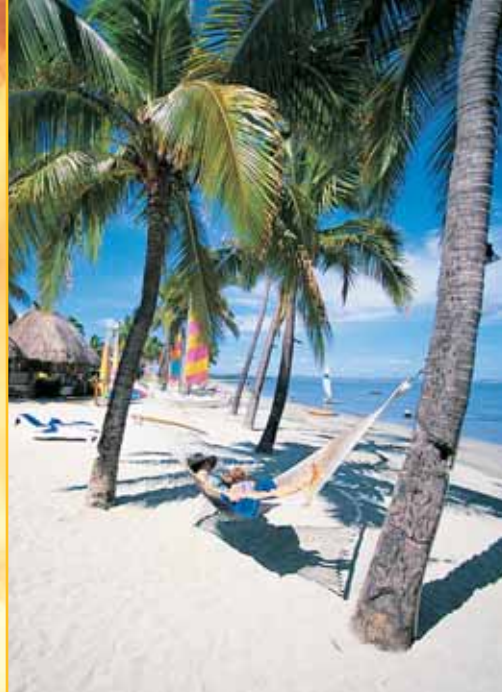

Honeymoons

Moonlight swims, fiery sunsets, secluded champagne picnics on a deserted beach, exotic cocktails and private moments. A honeymoon in Fiji will provide a lifetime of memories.

SPECIAL REQUIREMENTS. a) You, the passenger, or your Travel Agent are responsible for advising us of any special requirements you may have and it is your Travel Agent's responsibility to communicate to you any changes or alterations advised to your Travel Agent by Jetabout. b) It is your responsibility to advise your Travel Agent in writing of any medical condition that may in any way affect your ability or the ability of any member of your traveling party to undertake the travel arrangements that you have purchased. In addition, you must provide to your Travel Agent a letter from your personal physician stating the nature of the medical condition and certifying that you are physically fit to undertake the travel arrangements as purchased. It is then your Travel Agent's responsibility to provide Jetabout with copies of the letter and to request in writing that Jetabout arrange any special requirements considered necessary. Without such written notice, Jetabout accepts no responsibility for special requirements not provided. Some products in this brochure may require you to undertake medical examinations. You may also be required to show these documents to certain suppliers.

16. RESPONSIBILITY—JETABOUT purchases transportation, hotel accommodations, restaurant services, and other services from various independent suppliers that are not subject to its control. JETABOUT CANNOT, THEREFORE, BE LIABLE FOR ANY PERSONAL INJURY OR PROPERTY DAMAGE, OR ANY OTHER SPECIAL OR CONSEQUENTIAL DAMAGES that may occur due to (a) intentional, wrongful, negligent, or arbitrary acts or omissions on the part of a supplier, its employees and others not under the direct control of JETABOUT, or (b) defects or failures

of any aircraft, vessel, automotive vehicle or other equipment or instrumentality under the control of independent suppliers. In addition, JETABOUT cannot be liable for delays in departure or interruption of your vacation arrangements caused by weather conditions, technical problems of any aircraft, vessel, automotive vehicle or other equipment or instrumentality, strikes, war, terrorist activity, civil commotion, or any causes beyond the control of JETABOUT. In no event will JETABOUT be responsible for incidental, consequential or special or incidental damage or loss suffered by any person. JETABOUT's maximum liability, for any reason whatsoever, will be limited to the amount paid to JETABOUT for its services. In issuing tickets and coupons for transportation of the purchaser by any means, and making arrangements for hotel or other accommodation, JETABOUT is not acting as principal but only as agent for the companies, corporations or persons providing or offering the means of transportation and accommodation. To the extent JETABOUT shall not be acting as an agent, as stated above, it shall be deemed to be acting as an agent of the purchasers in arranging or booking transportation and accommodation. Airlines and other transportation providers (e.g., motor coach operators) are not liable for any detention, delays, loss, damage, sickness or injury, however or by whomever caused, during the time passengers are not on board their planes or conveyances. The contract of carriage used by such transportation providers when issued shall constitute the sole contract between the transportation providers and the purchaser of these vacation arrangements.

17. TRAVEL INSURANCE. Jetabout strongly recommends you purchase travel insurance providing coverage for loss of deposit, cancellation fees, medical expenses, lost baggage and other potential travel-related losses under certain circumstances. Such insurance must be purchased at the time of your initial travel reservation, and paid for with your deposit. The scope of coverage is subject to the terms and conditions of the insurance policy. Our "No Worries Waiver" covers cancellation fees NOT protected by Travel Insurance, for cancellations up to 72 hours prior to departure. Certain exclusions apply. Ask for details.

18. MAPS AND PHOTOGRAPHS. Maps shown within this brochure are for general information only and may not necessarily reflect actual routings and services provided. The hotel photographs may not necessarily reflect the standard of any room purchased.

19. IMPORTANT NOTE. We are required under California law to advise you of the following: For passengers located in California only, in the event of Jetabout's default, you may be eligible for a refund of up to US\$15,000 from the California Travel Consumer Restitution Fund. If you were located in California at the time of your purchase, you have a right to make a claim against the fund for a refund of any money paid to Jetabout that is due because of Jetabout bankruptcy, insolvency, cessation of operations, or material failure to provide the transportation or travel services sold. The claim must be filed within six months after the completion date of your travel.

For a claim form and additional information, write to: Travel Consumer Restitution Corporation
P.O. Box 6001, Larkspur, CA 94977-6001

"Registration as a seller of travel does not constitute approval by the State of California." The following and the conditions on our brochures are our conditions upon which the contract between us, the seller of travel services, and the passengers may be canceled. Upon cancellation of the transportation or travel services, where you, the customer, are not at fault and have not canceled in violation of the terms and conditions, if any, of the contract for transportation or travel services, all sums paid to Jetabout for services not received by you will be promptly refunded by Jetabout to you unless you otherwise advise Jetabout in writing. California law requires that the following statement be made to customers located outside of California at the time of purchase: "This transaction is not covered by the California Travel Consumer Restitution Fund. You are not eligible to file a claim against that Fund in the event of Jetabout's default."
