Gunline Barrel Bedder Junior Kit

The Barrel Bedding Junior has the same chatter free system as the standard Barrel Bedding Tool but with a quick change disk feature. The single handle tool is complete with pin, retainer and screw for changing and securing the cutter disks. Quick-change disk system includes 6 each of 1/2" disks, 5/8" disks and 3/4" disks. Also includes 15 rubber spacers, 5 for each size of disk. Replacement Cutter Packs include six steel cutter disks and five rubber spacers.

Gunline Groove Shave

Same design as the Barrel Bedder Junior Kit, but the front and rear cutter disks can be replaced with 2 steel spacers (included) so the tool can be used as a single-blade scraper for removing small amounts of wood.

118-651\$28.99

Gunline Octagon Barrel Bedders

Works for bedding of partial or full octagon barrels. Bedder features three cutting blades that are cushioned by neoprene washers. Blades are accurately ground then aligned on a shoulder screw and spiro pin to produce a very sharp stock groove. A single blade can be secured to the handle with a separate flat socket head screw for final touch up.

Miles Gilbert Inletting Black and Inletting White

Apply Inletting Black or White to the metal components of your rifle and place into the stock. Contact transfers color to the wood, indicating where relief is needed. Use the Black for most wood or light-colored stocks, White for dark-colored and synthetic black stocks. 1 oz bottle contains enough product to inlet dozens of firearms.

Description	Product #	Price
Black	123-915	\$7.39
White	595-934	\$7.39

Miles Gilbert Stock Sanding Kit

This kit contains three sheets of high quality sandpaper and a handy sanding block. Includes 100, 150 and 220 grits. Sandpaper strips measure 3" x 7-1/2", and the 3-16" thick sanding block measures 1-1/2" x 3".

238-033\$6.89

Norton Sandpaper

Norton sandpaper can be used for both metal and woodworking applications. The Adalox papers have aggressive aluminum oxide cutting action for all dry sanding applications and are designed for hand or machine sanding. The No-Fil is a wet or dry aluminum oxide paper designed for increased life, consistent finish and reduced loading. Sheets measure 9" x 11".

Butler Creek Deluxe Slip-On Recoil Pads

Deluxe Pads offer a smooth transition and excellent look with both wood and synthetic stocks. Made of recoil absorbing elastomer rubber, these recoil pads will provide excellent comfort, even during extended shooting sessions. The Slip-On design offers easy installation.

Slip-On	Color	Product #	Price
4-13/16" x 1-1/2" x 3/4"	Brown	134-415	\$11.99
5-1/8" x 1-5/8" x 3/4"	Brown	355-970	\$11.99
5-5/16" x 1-3/4" x 3/4"	Brown	753-368	\$11.99

Choate Buttpads

These Buttpads work with any of the Choate stocks that use their spacer system. The 1/4" pad is made from a hard polymer and provides a tough gripping surface without adding to the length of pull. The 1/2" pad is coated in a soft rubber to help absorb recoil and provide a better fit.

Description	Color	Product #	Price
1/4"	Black	893-943	\$6.39
1/2"	Black	110-964	\$7.99

Galazan S. W. Silver's-Style Recoil Pad

Silver's Recoil Pads enhance the stock of even the best guns and are the exact red color of the pre-war Silver's pad. Rubber Pad is perfect for either rifles or shotguns and is suitable for all working and weather conditions. Pad measures 5-3/4" x 1" and includes 2 mounting screws. Screw spacing is 3-1/4", and pad is 1-1/16" thick. Requires fitting to rifle.

141-067\$74.99

Galazan Winchester Pre-64 Recoil Pad

Replica of the solid red Winchester recoil pad that fits all pre-64 Winchesters including the Model 70, Model 12, Model 21 and all lever and pump actions models. Rubber Pad is marked "Made in U.S.A." and features the Winchester Trade Mark and patented date. Pad measures 5-1/2" long by 1-7/8" wide (at the widest point) and comes with a 3/16" hard black rubber base. Screw holes are 3-1/8" apart, and pad is 7/8" thick. May require fitting to specific rifle.

889-169\$40.99

Galazan S. W. Silver's-Style Pre-World War 2 Recoil Pads

Replica recoil pad is identical to the pre-World War 2 Silver's pad. Early guns by Purdey, Parker, Fox, Ithaca, Winchester, Holland, Sauer, Merkel and L.C. Smith would have been shipped with this orange recoil pad. Pad base measures 6" long and 1-31/32" wide (at the widest point). Pad has two 5/8" diameter knock out plugs for easy access to screw holes during installation. Screw holes are 3-1/4" apart.

Description	Color	Product #	Price
1" Thick	Orange	912-099	\$29.99
1-1/2" Thick	Orange	970-496	\$34.99

Galazan Thin Solid Recoil Pads

Base measures 5-1/2" long and 1-7/8" wide (at the widest point). Screw holes are 3-1/4" apart. Pads come with a 3/16" black base and feature rubber construction.

Description	Color	Product #	Price
1/2" Thick	Brown	863-180	\$19.99
1/2" Thick (Pictured)	Red	866-118	\$19.99

KICK EEZ Kick Eez Junior Recoil Pads

Pad is designed to accommodate stocks that have been shortened. Screw hole spacing is 2-3/4", pad measures 1-11/16" x 4-5/8".

Description	Black #	Brown #	Price
15/16" Thick	994-549	221-848	\$30.99

Kick Eez Magnum Recoil Pads

Originally designed for use on large bore guns, but suitable for any gun to tame heavy recoil. It has a flat back and is canted downward on both ends for easy shouldering. Pads are constructed of Sorbothane and can be ground to make a perfect fit. They are 1-3/8" thick with a ribbed face. Medium is 1-7/8" x 5-1/4", large is 2" x 5-5/8".

Description	Black #	Brown #	Price
Medium	847-495	373-217	\$32.99
Large	431-314	543-743	\$32.99

Kick Eez Modified Trap Recoil Pad

This soft Sorbothane pad is slightly concave with a blast finish on the face. This means more contact with the shoulder, fewer pressure points and repeatable placement of the gun on the shoulder. Pad measures 2" x 5-5/8" x 1-1/8" thick and can be ground for a perfect fit. Black.

513-113\$32.99

Kick Eez All Purpose Recoil Pads

All-purpose pad is designed for use for a wide array of shooting applications. Pads are constructed of Sorbothane and can be ground to make a perfect fit. Medium is 1-7/8" x 5-1/4", Large is 2" x 5-5/8".

Kick Eez Rocker Recoil Pads

The Rocker Recoil Pad is designed to allow more consistent mounting of the firearm to the shoulder. The unique tapered toe design prevents it from bruising the upper chest area. Pads are constructed of Sorbothane and can be ground to make a perfect fit. Pad measures 2" x 5-5/8".

Description	Color	Product #	Price
15/16"	Black	581-952	\$30.99
1-1/8"	Black	749-782	\$30.99

Kick Eez Special Recoil Pads

Kick Eez has designed a recoil pad which has a extra-long, elliptical mounting screw slot at the toe to fit the Browning Gold, Beretta 390, all Benellis (including synthetic) and many other problem fittings. Pads are constructed of Sorbothane and can be ground to make a perfect fit. Similar to the sporting clay style pad, measures 2-1/4" x 6".

Description	Color	Product #	Price
3/4"	Black	258-512	\$32.99
15/16"	Black	912-430	\$32.99

Kick Eez Length Spacers

Spacers are made from a strong, lightweight plastic polymer, and they are easy to fit, grind and finish. The extra long slotted hole at the toe of the spacer makes it easy to match any hole spacing. Use one or more to adjust your length of pull.

Description	Product #	Price
1/8"	567-275	\$3.99
1/4"	175-714	\$3.99
1/2"	463-351	\$7.49

Kick Eez Pitch Spacers

The thick-to-thin taper on these Pitch Spacers allows the them to be used as either positive or negative. The universal slotted holes at each end of the spacer allows easy fitting. Use one or more to adjust the pitch to your personal requirement.

Description	Product #	Price
1/4" Pitch	694-391	\$5.99
1/2" Pitch	397-244	\$9.49

Kick Eez Slick Eez Recoil Pad Treatment

Slick Eez is a tough, flexible, transparent coating which, when applied to the heel, toe or sides of recoil pads, makes a slick, non-grabbing surface. Aids in a fast, uniform gun mount. The bottle contains enough to cover several recoil pads and includes a bottle of cleaner to prepare recoil pads for application. Instructions are included in the package.

Miles Gilbert Niedner-Style Checkered Steel Buttplate

A. O. Niedner, an early 20th century gunsmith and rifle maker, is the name that most often comes up when discussing checkered steel buttplates and grip caps. Today Miles Gilbert produces essentially the same product, but with advanced technology making them more affordable than the original hand-made models. Key features are 24 line per inch checkering, a 1/16" border, and a pointed heel spur on the top of the buttplate. Parts come blued and include attaching screws. Buttplate measures 5" x 1-5/8".

Description	Product #	Price
Buttplate	392-333	\$31.49
Buttplate and Grip Cap Set	113-848	\$36.99
Grip Cap	529-276	\$20.99
1-13/16" x 1-5/16"		

Miles Gilbert Recoil Pad Installation Fixture

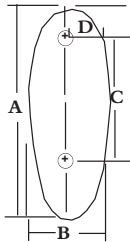

A quality recoil pad installation fixture that provides the ability to do a professional job installing rubber recoil pads. It allows the user to accurately transfer the toe-line angle and comb line from the stock to the new recoil pad and also serves as a stable fixture for sanding the pad. Designed for use with any table mounted belt or disc sander, the fixture is constructed of a rigid, cast aluminum base and aluminum mounting bar for the pad. This bar is retained between two ears cast into the base and features a setscrew that allows repeatable settings for the comb line.

658-338\$34.99

Use the dimensions for recoil pad sizing.

Decelerator pads are made from a "super soft" rubber blend that provides maximum recoil reduction and shooting comfort. This specially blended material reduces the "shock effect" of recoil and allows the shooter to fully concentrate on hitting the target. Decelerator Pads are available in a wide variety of specialized types to meet any shooting need, whether it be trap and skeet, sporting clays or hunting. They are also offered in a variety of colors, core designs and faces to enhance the beauty of your rifle or shotgun.

Pachmayr D200B-BL Decelerator Ultra Light Recoil Pad

Like all Decelerator pads, this pad is super soft and features a stippled surface for a positive grip. 1/2" thick. 5-1/2" x 1.95". Black.

974-626\$11.49

Pachmayr F250 Lightweight Field Recoil Pads

This pad is a thinner version of the 325 series, perfect for light to medium recoil guns. Features a non-slip, lined face.

Clear	771-469	\$12.99
French Red	137-222	\$12.99
Walnut	278-324	\$12.99

Galazan Winchester Pre-64 Stock Finish Kit

Complete kit provides the exact Winchester Pre-64 look. Includes stock filler, stock stain, finish varnish and rubbing compound. Also includes an application cloth, rubbing cloth and complete instructions. Enough for one complete stock.

Description	Product #	Price
Stock Finish Kit	160-127	\$34.99
Components	Product #	Price
Winchester Pre-64 Stock Finish 3 oz Liquid	130-820	\$17.99
Winchester Pre-64 Stock Stain 3 oz Liquid	381-915	\$17.99

Dem-Bart Waxylene Gun Stock Wax

Forms a protective barrier over the finish of wood. Easy to apply on checkering with a soft toothbrush. Buffs out with a beautiful sheen which will not show water spots or finger marks. 2 oz can.

725-207\$5.99

Dem-Bart Stock Sealer and Filler

Fills pores with a 100% solid, moisture-impervious compound. Dries quickly and can be sanded in 15 minutes. Contains no silica or other pigment.

Description	Product #	Price
2 oz	179-959	\$5.99
8 oz	318-012	\$15.99

Dem-Bart Continental-Style Stock and Checkering Oil

Superior waterproof oil finish that is perfect for any number of stock finishing applications. Seals and hardens the wood and has a low sheen, London-type finish.

Description	Product #	Price
2 oz	981-449	\$5.99
8 oz	232-978	\$16.99

GB Lin-Speed Gunstock Finishing Oil

A favorite of custom stockmakers. Lin-Speed is composed of specially treated and highly refined linseed oil for faster drying, yet still offers that oil finish look. A high gloss or satin finish can be achieved. 2 oz.

717-734\$8.49

Laurel Mountain PermaWax

This unique blend of waxes, polymers and UV protectants shields wood, stain and finish from the damaging effects of sunlight. Also works to remove old wax, grease and dirt build up on all wooden surfaces and can act as a final finish on new firearms. 4 oz liquid.

Description	Product #	Price
for Dark Wood	456-263	\$6.79
for Light Wood	910-708	\$6.79

Laurel Mountain Permalyn Stock Finish

Formulated to fill the wood grain and quickly build the finish of your stock to the desired gloss. Permalyn Finish is impervious to water, alcohol, bore cleaner and most other chemicals and solvents.

Description	Product #	Price
4 oz Liquid	316-694	\$8.69
32 oz Liquid	878-434	\$23.49

Laurel Mountain Permalyn Stock Sealer

Permalyn Sealer is made from the same base oils and polymers as the Finish, but it contains special ingredients to ensure deep penetration into the wood. This affords the maximum durability and ensures that surface damage cannot expose raw wood.

Description	Product #	Price
4 oz Liquid	827-063	\$7.29
32 oz Liquid	650-485	\$19.49

Laurel Mountain Antique Wood Stain

Designed to penetrate deep into wood so surface scratches, abrasions and other damage will not expose bare wood to the elements. Non-solvent blend will not swell grain checkering, carving or tight inlaying. One 4 oz bottle will stain many stocks.

Description	Quantity	Product #	Price
American Walnut	4 oz	136-368	\$10.99
Cherry	4 oz	842-044	\$10.99
Honey Maple	4 oz	761-298	\$10.99
Lancaster Maple	4 oz	180-278	\$10.99
Maple	4 oz	138-816	\$10.99
Nut Brown	4 oz	553-157	\$10.99
Walnut	4 oz	164-665	\$10.99
Reducer	8 oz	118-727	\$11.99

Galazan Water-Soluble Stains

The superior penetrating properties of Galazan's Wood Stain bring out the beautiful contrasting grain effects notable in gunstocks. 3 oz bottle.

Description	Product #	Price
Dark Brown	134-269	\$17.99
Gold Brown	387-888	\$17.99
Light Brown	578-212	\$17.99
Red	634-359	\$17.99
Red Brown	914-697	\$17.99

Galazan Renaissance Wax Firearm Polish

Cleans by gently lifting dirt and the murky remnants of other polishes. The surface detail will remain clear with unlimited applications of this translucent wax. Wax will enhance the weather resistance for both wood and metal without harming existing surfaces. 7 oz jar.

347-374\$32.99

Galazan Oil Stock Finishes and Stains

These quality gun and stock finishes are oil based and made to the manufacturer's original specifications. Perfect for refinishing a classic firearm while retaining its original look. 3 oz bottle.

Description	Product #	Price
Parker Brothers Original Stock Finish	119-450	\$17.99
French Polish	815-188	\$17.99
Best Oil Stock Finish	351-013	\$17.99

Miles Gilbert™ **Miles Gilbert Powdered Bone Black**
Fine Stockmaking Supplies

When mixed with stock finish or utilized as a filler prior to the application of the finish, Bone Black fills the pores and enriches the emergence of the grain pattern, defining its direction and adding contrast. Bone Black is also an excellent coloring agent for epoxy-bedding materials, and can be used to repair or replace inlays of ebony or hard rubber on vintage firearms. 7 oz tub.

326-899.....\$6.89

Miles Gilbert Stock Rubbing Compound

The finest stock finishes are obtained with careful and deliberate attention paid to every detail of the finish application, especially the use of rubbing compounds. Use 2F then 4F Pumice after wet sanding with 600 grit sandpaper, and before the final rubout with Rottenstone.

Description	Quantity	Product #	Price
2F Pumice	8 oz	739-647	\$7.59
4F Pumice	8 oz	198-441	\$7.59
Rottenstone	8 oz	929-331	\$7.39

Miles Gilbert Advanced Stock Re-Finishing Kit

Refinishing a Gunstock can be fun, easy and quite satisfying if you choose the right kit. For the beginner, the most important part of the kit is the instructions. The Miles Gilbert Advanced Stock Re-Finishing Kit includes a professionally made, step-by-step "Refinishing a Gunstock" DVD (which is easily worth the price of the kit). This DVD provides clear, complete instructions that take you step-by-step through the refinishing process, beginning with removing the old finish, then sanding, sealing, filing the grain and applying the finish. Supplies in the kit include finish remover, sandpaper (coarse, medium and fine) sealer, grain filler, stain and Miles Gilbert Classic Oil Finish. The Advanced Stock Re-Finishing Kit will help you refinish your dad's old 22, or your favorite rifle or shotgun, providing a beautiful, tough oil finish in low, medium or high gloss as you desire. Also a great gift idea for dad for Father's Day, birthdays and Christmas.

Kit	Product #	Price
Re-Finish Kit	115-652	\$26.49

Accessories	Quantity	Product #	Price
#5 Classic American Oil Stock Finish	2 oz	646-941	\$6.29
Finish Remover	4 oz	993-912	\$7.39

Miles Gilbert Stockmaker's Brushes

Perfect for applying solvents, finish or other liquids in the shop. Brushes are 1/2" wide, and the all-natural horsehair bristles are 11/16" long. Package of 12.

262-950.....\$4.19

Miles Gilbert Measuring Cups

These disposable 1 oz plastic Measuring Cups are perfect for measuring and mixing epoxy, bedding compounds, finishes, stains and other materials. Graduated in milliliters, teaspoons/tablesps and fractions of an ounce. Package of 100.

694-309.....\$4.79

Miles Gilbert Burlap Sheets

Burlap is the traditional material used to apply stock fillers, and it has many other uses in the shop as well. Because it is non-absorbent, it is useful for forcing fillers into the pores of the stock and for removal of wood finish strippers and rust and blue removers. 8-1/2" x 11". Package of 10.

963-878.....\$7.39

Miles Gilbert Wood Stirring Sticks

These 4-1/2" flat wood sticks are great for stirring or scraping thick substances like bedding compound, epoxy, wood fillers and stain so the mess stays off your hands. Package of 100.

243-553.....\$5.29

Miles Gilbert Tack Cloth

Tack Cloth prepares stock surfaces between coats by removing the smallest particles of saw dust, grit, and other contaminants. Creates a perfectly clean surface and a smooth finish. 8" x 10".

246-164.....\$5.29

Pilkington Classic Stain

Deep-penetrating stain is available in a variety of rich colors to give your gun a custom look. The non-grain raising formula penetrates most finishes to touch up thin spots.

Special Thinner	2 oz	335-562	\$20.19

Dilutes Spirit Stains for lighter color, and thins Classic Stains for better penetration.

Pilkington Classic Gunstock Finish

Works as both a varnish and an oil finish that fills pores and dries in a hard coat. Use the Gold and Brown to give lighter-colored wood a rich color, while the Red Brown is perfect to match any pre-'64 guns that had the stain in the finish. Finishes come with a detailed instruction booklet.

Description	Quantity	Product #	Price
Clear	2 oz	384-884	\$21.49
Gold and Brown	2 oz	671-259	\$22.19
Red Brown	2 oz	879-307	\$22.19

Pilkington Classic Linseed Stock Rubbing Oil

Oil works to restore dull, worn finishes and gives your stock that hand-rubbed finish look. Bag of rottenstone included.

Description	Quantity	Product #	Price
Clear	2 oz	676-211	\$20.99
Gold and Brown	2 oz	514-618	\$21.99
Red Brown	2 oz	150-930	\$21.99

Velvet Gunstock Oil

Velvet Gunstock Oil is a wood finish that stains, fills, seals and protects in one coat. Approximate coverage is 500 square feet per gallon.

Description	Quantity	Product #	Price

24 Lines per Inch.....	334-299	\$49.99

Dem-Bart Cutter Left or Right Hand Spacers

These Spacers have two blades each. One blade does not have teeth, instead it is sharp and smooth and follows a fine guide line. The other blade has teeth and cuts the new row as the checkering progresses. The Right Hand Spacer allows you to move from left to right, and the Left Hand Spacer allows you to move right to left. The sharp narrow guide blade produces very straight rows and very precise checkering as a result. Handles sold separately.

Left Hand Spacer	Product #	Price
16 Lines per Inch.....	481-454	\$3.99
18 Lines per Inch.....	437-744	\$3.99

32 Lines Per Inch	398-354	\$5.99

Gunline Jointers

These cutters have slotted teeth and are used for accurately laying out critical intersecting master lines. They can also be used for producing the correct angle of 60 degree and the shallow depth of cut so that the 2 or 3 Edge Spacer tool will fit groove precisely. The 90 degree Jointer is useful in sharpening the row base (apex) as the pattern is nearing completion.

Description	Product #	Price
60 Degree	198-541	\$19.99
90 Degree	917-652	\$19.99

Gunline Veiner Chisels

These chisels have a short tool steel blade with palm fitting handle that provides excellent controlled cutting action when held at a steep angle. This tool is perfect for cleaning up to the edges of your pattern as well as producing ornate single line borders.

Description	Product #	Price
60 Degree	241-130	\$14.79
90 Degree	418-943	\$14.79

Accessory loupe for really close inspection comes standard. Headband includes lights (powered by 4 AAA batteries - not included) and comes with an adjustable padded head strap. Use with or without prescription glasses.

540-695.....\$16.29

Miles Gilbert Learn to Checker Kit

Most of us have always wanted to learn to checker a gunstock. Some have probably tried, but never got it figured out and became frustrated. The Miles Gilbert Learn to Checker Kit is a breakthrough. If you really want to learn how to checker a gunstock, we guarantee this kit will teach you. The professionally made "Learn to Checker" DVD (easily worth most of the price of the kit) takes you step by step through the learning process, first using practice coasters and then on to your first stock. The Deluxe Learn to Checker kit also contains the five checkering cutters you will need, unique patented alignment guides that help you see when the cutter is out of alignment, comfortable, ergonomically designed and patented see-thru handles, practice coasters and layout templates. Also a great gift idea for dad for Father's Day, birthdays and Christmas. Good father/son project.
