Everyone loves kits because they can save you time and money and we have over 650 kits in this catalog! Take a look and see! Our Kits section is a collection of some of our most popular kits for you to choose from!

1965-1968 Standard Interior Super Interior Kit

Wouldn't it be nice if you could get everything you need to make your interior look like new without having to shop all around? Wouldn't it be nice if you could buy everything at one place and know that the quality and pricing would be great? Well now you can with Mustangs Plus' Super Interior Kit!

We've assembled our Super Interior Kit to save you time and money by getting you the parts most often used when restoring a Mustang's interior. It's assembled into an easy to buy package that is sure to help make your restoration or restomod project a little bit simpler. Our Super Interior Kit comes in all available factory color schemes, and it's loaded with the finest quality components available. You can buy with confidence knowing that your project will not only look great, but give you years of service as well. Got questions? Please give us a call if you'd like to know more!

The Grab-A-Trak® Super Starter Kit

Let's face it. Whether you're starting a new Restomod or a new Restoration Project, you sometimes can get overwhelmed with the amount of work there is to do! Where do you start? Through many years of selling Mustang Parts to nice folks like you, we've found that many of you want to get a sure-footed start by rebuilding the undercarriage first. Once you have firm new suspension under your pony, it makes it *much* easier to get it to the paint or upholstery shop, plus, a solid suspension is a must when choosing your new wheels in order to assure proper fit and clearance! Now, we've made a kit especially for those of you starting a new project...**The Grab-A-Trak® Super Starter Kit!** It has everything you need to get your project out of the gate in one convenient package!

You'll get all this in your Super Starter Kit! Order This Money Saving Kit Today!

Grab-A-Trak® 1" Front Sway Bar Kit

Most 65-73 Mustang factory front sway bars were 11/16" in diameter and had rubber bushings. Increasing the diameter of your Mustang's front sway bar to 1" and upgrading the bushings to polyurethane is a quick and easy way to improve your Mustang's handling for minimal cost. Our 1" Front Sway Bar Kit includes a gold zinc chromate plated sway bar plus polyurethane frame mount and end link kits! Backed by a Lifetime Warranty!

71-73#10204	\$89.00	kit

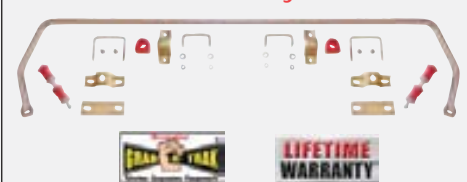

Grab-A-Trak® 1 1/8" Front Sway Bar Kit

You'll see the quality as soon as you open the box! Our Grab-A-Trak® Front Sway Bar Kits come complete with an American made front sway bar plus polyurethane frame bushing and end link kits! All metal frame brackets, and end link hardware are top quality gold zinc chromate plated for longer life. Lifetime Warranty!

65-66#10201	\$95.00	kit
67-70#10203	\$95.00	kit
71-73#10205	\$95.00	kit

Grab-A-Trak® 3/4" Rear Sway Bar Kit

Adding a rear sway bar will help your Mustang stay flat in the corners and improve your overall handling! Grab-A-Trak® Rear Sway Bar Kits include a plated sway bar for long life plus polyurethane frame mount and end link kits! Best of all, the components in this kit are backed by a Lifetime Warranty!
