## One Had To Rise

By Mike Harland

Arr. by Richard Kingsmore SATB

Through stirring words and music, Mike Harland beautifully captures the sacredness and intensity of The Passion in this Easter musical, *One Had To Rise*. With the opening selection, our thoughts turn to the gruesome yet glorious reality of the Cross. While moving through Christ's final days, we are ever mindful that it was for us that One had to die. We linger at the Cross. But we also recognize that Christ's dying was not enough to make Him a Savior. He had to rise...and He did! We rejoice! These thrilling arrangements can be mastered by any size choir, and the orchestration is profound yet attainable. You can present the musical through simple narration or stage any one of the dramatic moments in a powerful way. Production notes provide multiple options. 38 minutes in length. Moderate

## The Ultimate Idea Book, Vol. 2

*Created and compiled by Phil Barfoot*

Previously, Phil Barfoot and over 100 music ministers developed *The Ultimate Idea Book For Music Ministry*, a compendium of ideas that inspire, motivate and bless music ministries and the ministers who serve them. The 500 ideas in that book dealt with almost every facet of music ministry at the end of the 20th century. Unfortunately, some of the ideas that were on the "cutting edge" then are now on the "cutting floor," but the challenge remains for every music ministry to be effective and culturally relevant without changing the timeless message of the gospel. With this all new edition, there is a choice of media - book or CD-ROM.
