1210014	GC-16-12	12 oz. Aerosol	137.76

**BREAK-FREE®
LUBRICANT/PRESERVATIVE**

•Originally developed for automatic military cannons •Contains specially polymerized synthetic oils for improved boundary film strength, plus multiple ingredients to reduce friction, stop build-up of foreign particles & inhibits rust & corrosion
•Safe for all gunmetal & gunmetal finishes from blued steel to titanium & for polymer composition automatics •Prevents galling on stainless steel •Non-solvent formula minimizes drain off when firearm is holstered •Environmentally safe, user-friendly

Order #	Mfg. #	Size	Sugg.Ret.
1209615	LP-5	Pint	\$23.98

**BREAK-FREE®
COLLECTOR**

•Protects weapons for up to 5 years in storage •Exceeds stringent MilSpecs •Recommended for the occasional hunter or sports shooter as well as knife & sword collectors •Great for seasonal sports equipment •Will not degrade to waxy residues under heat or pressure or with age •Resists damage due to fingerprint residue & minimizes need for frequent wipe down

Order #	Mfg. #	Size	Sugg.Ret.
1209557	CO-4	4oz.	\$6.98

**BREAK-FREE®
BORE CLEANING FOAM**

•Chemically removes copper & brass compounds from the barrel in 15 minutes •Leaves protective film to prevent accumulation of residue •Runs less than most ammonia-based cleaning agents •Removes normal combustion waste w/o need for a second cleaner •Non-toxic, odorless

Order #	Mfg. #	Size	Sugg.Ret.
1209868	BCF-3	3 oz.	\$11.98

**BREAK-FREE®
CLP®**

•Listed on the Qualified Products List, Mil-Spec-PRF-63460 •Keeps firearms ready in all weather conditions
•Made of high-quality polymerized synthetic oils with special friction reducing, anti-wear additives & special rust inhibitors •Reduces metal-to-metal wear by keeping surface areas separated with advanced boundary film •Does not degrade, even under high temps or extreme pressure •Penetrating power displaces & loosens firing residue & other contaminants from bearing areas

new

**G-96
CRUD BUSTER II**

•Used to help remove dirt particles from difficult to reach areas w/o disassembling the firearm •High pressure cleaning solvent effectively cleans all moving metal parts - triggers, ejectors, extractors, etc. •Extension tube produces a high pressure spray that allows the solvent to penetrate & remove soluble/insoluble particles from the gun •Excellent for use on rifles, shotguns & pistols •Leaves no residue •Helps "blast away" dirt and crud •G96 Gun Treatment, G96 Gun Oil, or G96 Synthetic CLP Gun Oil should be applied afterwards •NOTE: Do Not use on plastics or polymers

Order #	Mfg. #	Size	Sugg.Ret.
1212288	1201	16 oz.	\$10.29

**G-96
