What will be done to correct the problem?

IKEA will examine the product and decide if it's covered under this limited warranty. IKEA will then, at its choice, either repair the defective product or replace it with the same or a comparable product. In these cases, IKEA will be responsible for the costs of repairs, spare parts, labor and travel for repair staff that IKEA incurs, provided that the product is accessible for repair without IKEA incurring additional expenditure to gain access. This will not apply in cases where repair work has not been authorized by IKEA. Any defective parts removed in the course of repair works will become the property of IKEA. If the item is no longer sold by IKEA, IKEA will provide an appropriate replacement. IKEA will decide at its discretion, what will constitute an appropriate replacement.

Conditions for the Limited Warranty:

Exclusions:

The limited warranty does not apply to products that have been stored or assembled incorrectly, used inappropriately, abused, misused, altered, or cleaned with wrong cleaning methods or wrong cleaning products. The warranty does not cover normal wear and tear, cuts or scratches, or damage caused by impacts or accidents. The warranty does not apply if products have been placed outdoors or in a humid environment or if the products have been used for non-domestic purposes (unless otherwise stated).
